HPCMP - SecurID Card Receipt

The Consolidated Customer Assistance Center (CCAC) is required by the High Performance Computing Modernization Program Office (HPCMPO) to obtain a receipt for your High Performance Computing Account prior to activation of your HPCMP Kerberos principal.

Please sign this receipt as acceptance of the SecurID Card and either FAX or mail immediately.

A Section III may be included with this Card Receipt. If so, please sign and FAX.

Service/Agency Approval Authority

Section 3. Authentication Packet/User Accounts Protection Agreement

Welcome to the DoD High Performance Computing Modernization Program (HPCMP). If you have requested use of unclassified resources, you have been issued an Authentication Packet consisting of a Kerberos Principal, a passcode card, a Kerberos password, and a Personal Identification Number (PIN) from a designated HPCMP Kerberos Realm. The HPC Centers which issued your Authentication Packet is referred to herein as your Kerberos Home Site. If you have requested use of classified resources, you have been issued an Authentication Packet consisting of a login name and password, and these items are classified. Henceforth, all references to the Authentication Packet will denote the four (unclassified) or two (classified) items as appropriate. Additionally, you have requested and been granted accounts at one or more HPC Centers within the HPCMP. Usernames and accounts issued by the HPC Centers will be referred to herein as User Accounts.

Please read and sign the following agreement and fax a copy to your Service/Agency Approval Authority (S/AAA), and to the issuer of your Authentication Packet. (See <http://www.hpcmo.hpc.mil/Htdocs/SAAA/index.html> and instructions in your Authentication Packet for contact information)

A. The following six paragraphs apply to users of DoD HPCMP resources:

1. Restrictions: DoD HPC Centers resources shall be used ONLY for official Government business. Copyrighted or proprietary software shall not be executed, copied from, or stored on these systems without proper authorization.
2. Credit: It is agreed that any publications resulting from research supported by this HPC grant will include the following credit statement: "This work was supported in part by a grant of computer time from the DoD High Performance Computing Modernization Program at (fill in HPC Center's name(s))".
3. User Responsibility: I hereby acknowledge that I am completely responsible for my Authentication Packet and User Accounts and will protect them as "For Official Use Only" (FOUO) or, where applicable, CLASSIFIED at the appropriate level. **I UNDERSTAND THAT NEITHER USER ACCOUNTS NOR ANY ITEM FROM THE AUTHENTICATION PACKET WILL BE SHARED WITH ANYONE FOR ANY REASON AT ANY TIME.** I agree to maintain my passcode card (if issued) under positive control at all times. Upon leaving the DOD HPCMP I will notify my S/AAA to close my accounts, and I will return my passcode card (if issued) to the issuing Center or to my S/AAA. I will report to the issuer of my Authentication Packet any problem I experience in its use, or any use of said Authentication Packet or User Account by other persons of which I become aware. I understand that the HPC Center's Information Systems Security Officer (ISSO) or designee will investigate all security, unauthorized access, and abuse incidents. I understand user activities are audited and that misuse of any HPC Centers resources may result in disciplinary action and/or denial of computing privileges.
4. International Access: I hereby agree to obtain prior permission to access an SRC from any location outside of the United States, by completing and returning to the DOD HPCMP Office an International Access Authorization Request, obtainable from <http://www.hpcmo.hpc.mil/Htdocs/SECURITY/International.html>
5. I hereby state that the work I am doing is in support of a United States DOD project. I will not utilize the DOD HPCMP resources on behalf of any foreign government.
6. For users of the Arctic Region Supercomputing Center (ARSC) open research systems only: Users of open research systems will be required to provide proof of citizenship (and current visa, if applicable) and to consent to routine standard background check(s) in lieu of a National Agency Check.

B. The following paragraph applies only to the Principal Investigator

1. Software Re-use. It is agreed that software (source code and documentation) developed in this project and having potential for DOD re-use will be made available where appropriate.

I hereby acknowledge personal receipt of all items in my (check either or both as appropriate)
____ Unclassified ☒ Classified Authentication Packet from the ____ CCAC ☒ HPC Center.
Furthermore, I agree to abide by the applicable terms prescribed in Sections A, and B above for the
Authentication Packet as well as any User Accounts issued to me at any HPC Center.

Name (please print Last, First, MI): Larkin, Jason, M
